video here

# install.

Total 20 minutes.

1. Put the Lattiz® Go in place.
2. Supply the Lattiz® Go with water:
3. Plug into the socket (grounded).
4. Slide the drip tray in front of it (remove the blue foil from the drip tray plate).

**Water tank version.**

Insert the water filter.  
(see step 2: Install water filter\*)

**Fixed water connection.**

Have the machine installed by the service partner  
due to external water filter.

*Read the instructions in the supplied safety booklet (700.403.903).*

# step 02.

## install water filter.

Only for the water tank version.

1. Open the door. The 4<sup>th</sup> light will go on and **CHANGE FILTER** is displayed, press .
2. **SET HARDNESS** is displayed, press .
3. Refer to the reference table accompanying the water filter's instructions. Select the water hardness, press  /  and confirm with .
4. **REPLACE FILTER** is displayed, press . Close the door.

Remove the water tank from the Lattiz® Go and remove the cover.

5. Set the filter to the correct water hardness (A, B, C). Use a water hardness tester or ask the local water supply company.
6. Immerse the water filter before use to allow it to fill with water.

Remove the lid from the Lattiz® water tank by unscrewing it (counterclockwise). Press the filter onto the lid. Fill the water tank with fresh water.

7. Replace the lid with the filter. Screw the assembly into the water tank.
8. Place the water tank, with cover, back into the machine.

**Important:** For more information on use, replacement and maintenance, **please follow the original user manual of the filter purchased**, BRITA, AquaAroma Crema. Take hygienic measures and wash your hands before installing the filter.

video here

# sleep mode Lattiz® Go.

After 30 minutes.

After 30 minutes of not being used, the Lattiz® Go goes into sleep mode, with the buttons alternating slowly on and off.

- Place a jug.
- Press the rinse button once to bring the Lattiz® Go out of sleep mode. Rinsing starts automatically, 60 ml of water is dispensed.

After rinsing, the lights on all buttons come on and the Lattiz® is ready to use.

## disclaimers.

- Cleaning instructions via QR code.
- Not dishwasher-safe.
- Risk of burns from hot parts, liquids and steam.
- Never grab the spout.
- Rinse the Lattiz® before switching it off.
